

ELEVATED ACCESS IS

seeking volunteer pilots.

We connect people seeking travel assistance for abortion and gender-affirming care to pilots who help them access their healthcare.

In response to attacks on people's bodily autonomy, we're recruiting pilots throughout the country to provide free flights to people who need to travel to access healthcare.

Learn more by visiting elevatedaccess.org/pilots

Elevated Access is a registered 501(c)(3) non-profit. Volunteer flights with us may be tax deductible.
